

The 7th IEEE World Forum on the Internet of Things - WFIoT2021

20-24 June 2021 // Hilton Riverside Hotel, New Orleans, Louisiana, USA

CALL FOR LATE BREAKING NEWS PAPERS

The deadline for regular Technical Paper submissions was February 15th and has passed. IEEE WF-IoT2021 will be accepting further papers on the latest novel results relevant to IoT. The deadline for Late Breaking News Technical Papers is March 22nd, 2021. All such papers should be submitted to Track 21 and indicate the topic area addressed by referring to one of the 12 Track designations used for the Technical Papers in the original call for papers. All submissions will be rigorously peer reviewed. Please see the Paper Submission Instructions under the Author/Proposers Tab.

We hope to see everyone in New Orleans June 20-24, for the 2021 IEEE WF-IoT.

Important Date

Submission Deadline: March 22, 2021
